The Lincoln Highway Days Committee would like to extend our "Thanks" to you in advance for participating in our annual celebration. The Varied Industries Building offers exhibitors the opportunity to promote their business through exposure and self-marketing.

Booth locations have been predetermined, check in at registration table for your assigned location. Spaces are approximately 10' x 12'. Electrical outlets are reachable from every space. You are welcome to bring a fan for your comfort.

Your booth should be manned during show hours unless prior arrangements have been made. The Lincoln Highway Days Committee will not be held responsible for any accidents, equipment or merchandise damage, theft or pilferage.

Please fill out the second page of this registration form and return by July 1st.  
Applications received after this date may not be eligible.
